DAFTAR GAMBAR ................................................................. xiii
DAFTAR LAMPIRAN ................................................................... xiv

BAB I PENDAHULUAN
1.1 Latar Belakang Masalah..................................................... 1
1.2 Identifikasi Masalah.......................................................... 7
1.3 Perumusan dan Pembatasan Masalah................................. 7
1.3.1 Perumusan Masalah....................................................... 7
1.3.2 Pembatasan Masalah..................................................... 8
1.4 Tujuan dan Manfaat Penelitian .......................................... 9
1.4.1 Tujuan Penelitian......................................................... 9
1.4.2 Manfaat Penelitian....................................................... 9
1.5 Definisi Operasional........................................................ 10
BAB II KAJIAN TEORITIS DAN KERANGKA PEMIKIRAN

2.1. Kedudukan Pembelajaran Mengidentifikasi Unsur Keterkaitan Hubungan Plot dengan Tema Cerpen melalui Kajian Analisis Wacana Kritis dengan Metode Inkuiri dalam kurikulum 2013........ 13

2.1.1 Kompetensi Inti ........................................................................................................ 14
2.1.2 Kompetensi Dasar ................................................................................................. 16
2.1.3 Alokasi waktu ......................................................................................................... 17

2.2 Pembelajaran Mengidentifikasi Unsur Keterkaitan Hubungan Plot dengan Tema Cerpen melalui Analisis Wacana Kritis dengan Menggunakan Metode Inkuiri ........................................................................................................ 18

2.2.1 Pengertian Pembelajaran ........................................................................................ 18
2.2.2 Pengertian Mengidentifikasi .................................................................................. 19
2.2.3 Pengertian Teks Cerpen.......................................................................................... 20
2.2.4 Ciri-ciri Cerpen......................................................................................................... 21
2.2.5 Unsur-unsur Intrinsik Cerpen.................................................................................. 22
  2.2.5.1 Pengertian Tema.................................................................................................. 22
  2.2.5.2 Pengertian Unsur Plot atau Alur ................................................................. 24
  2.2.5.2.1 Kaidah Pemplotan ....................................................................................... 27
  2.2.5.2.2 Urutan atau Tahapan Plot ............................................................................. 28
  2.2.5.3 Penokohan (Perwatakan).................................................................................... 33
  2.2.5.4 Latar Atau Setting .............................................................................................. 34
  2.2.5.5 Sudut pandang .................................................................................................... 36
  2.2.5.6 Gaya Bahasa ....................................................................................................... 36
BAB III METODE PENELITIAN

3.1 Metode dan Desain Penelitian ........................................... 48
3.1.1 Metode Penelitian ......................................................... 48
3.1.2 Desain Penelitian .......................................................... 49
3.1.2.1 Pengertian Metode One-Group-Pretest-Posttest Design ...... 49
3.1.2.2 Bagan Metode One-Group-Pretest-Posttest Design .......... 50
3.2 Subjek dan Objek Penelitian ............................................. 51
3.2.1 Subjek Penelitian ......................................................... 51
3.2.1.1 Populasi ..................................................................... 51
3.2.1.2 Sampel ..................................................................... 51
3.2.2 Objek Penelitian .............................................................. 52
3.3 Operasionalisasi Variabel .................................................... 53
3.4 Rancangan Pengumpulan Data dan Instrumen Penelitian .......... 54
3.4.1 Rancangan Pengumpulan Data ......................................... 54
3.4.2 Instrumen Penelitian ....................................................... 56
3.4.2.1 Observasi ................................................................. 56
3.4.2.2 Uji Coba ........................................................................................................ 58
3.4.2.3 Tes ............................................................................................................... 61
3.5 Rancangan Analisis Data. .................................................................................. 63

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Profil Subjek dan Objek Penelitian ................................................................. 68
  4.1.1 Profil Subjek Penelitian ............................................................................. 68
  4.1.2 Profil Objek Penelitian ............................................................................. 74
4.2 Hasil Penelitian dan Pembahasan .................................................................. 75
  4.2.1 Analisis data Perencanaan dan Pelaksanaan Pembelajaran ............ 75
  4.2.1.1 Data Pelaksanaan Pembelajaran ......................................................... 78
    4.2.1.1.1 Kegiatan Awal ............................................................................. 79
    4.2.1.1.2 Kegiatan Inti ............................................................................. 82
      4.2.1.1.2.1 Mengamati .......................................................................... 82
      4.2.1.1.2.2 Menanya ............................................................................. 83
      4.2.1.1.2.3 Mengeksplorasi ................................................................. 86
    4.2.1.1.2.4 Mengasosiasikan ................................................................. 87
    4.2.1.1.2.5 Mengkomunikasikan ........................................................... 87
    4.2.1.1.3 Kegiatan Akhir ......................................................................... 88
  4.2.2 Data dan Analisis Hasil Observasi Kegiatan Siswa ...................... 89
  4.2.3 Data dan Analisis Hasil Evaluasi Pembelajaran .......................... 93
    4.2.3.1 Pengkodean Data Prates dan Pascates .................................... 93
    4.2.3.2 Analisis Data Prates dan pascates ............................................. 94
    4.2.3.3 Pengolahan Data Prates dan Pascates .................................... 175
4.2.3.3.1 Mencari Mean Prates (Mx) dan Mean Pascates (My) .............. 179
4.2.3.3.2 Mencari Selisih dari Mean Pascates atau Deviasi (d) .............. 180
4.3 Pengujian Hipotesis ................................................................. 185

BAB V SIMPULAN DAN SARAN
5.1 Simpulan .................................................................................. 187
5.2 Saran .......................................................................................... 188
