ABSTRACT

Speaking is a form of oral activity in communicating. In the application of speaking skills is not easy to apply to learners, especially on learning to show drama characters. Media animated film is one of the media of hand-drawn image processing that is projected into the computer so it can move. In connection with the above explanation the authors interested in conducting research "Learning to Show the Drama Character by Using Animated Film on Students of Class XI SMAN 1 Rancaekek academic year 2016/2017". Formulation of the problem that the authors propose that the authors are able to plan, execute, and assess the learning to show drama characters by using animated film media, students are able to show drama figures with full pengayah and confidence, animated film media effectively applied in learning to show drama characters in Class XI SMAN 1 Rancaekek. Research method that writer use is quasi experiment (quasi experiment), with research technique of literature study, test, observation, test, and analysis. The results of his research is the authors are able to plan, implement, and assess learning to show the drama character by using animated film media. This can be evidenced from the average cumulative value of planning and implementation of learning of 3.75. These values fall into the very good category (A). Students of class XI SMAN 1 Rancaekek able to show the drama character with full appreciation and confidence. This can be proven based on the result of pretest average value is 49,57 and mean postes value is 83,85 with difference 34,28. These results prove that the ability of students of class XI MIA 6 SMAN 1 Rancaekek experience improvement in learning. The effectiveness of the animated film media in learning shows the drama character. It can be proven from the results of statistical calculations with the results $t_{\text{count}} \geq t_{\text{table}}$ $14.96 \geq 2.04$ in 95% confidence level with degrees of freedom 34. Based on the data and research results above, then the conclusion is the study of learning to show the drama character by using animated film media in class XI SMAN 1 Rancaekek, has been implemented and managed well.
