*In the 2013 curriculum demonstrating drama script is a speaking skill. Related to the above explanation, the authors interested in conducting research learning by watching plays demonstrating content and language by using the method of role playing in class XI SMAN 1 Jampangkulon academic year 2016/2017.*

*The problems formulated by the writer are: 1) Is the writer plan, implement, and evaluating learning demonstrating by looking at the contents of a drama script and the language by using the method of role playing in class XI SMAN 1 Jampangkulon ?; 2) Are the students in class XI SMAN 1 Jampangkulon demonstrating a play by watching the content and language ?; 3) Has the methods of role playing applied in the study demonstrating a play by watching the content and language in class XI SMAN 1 Jampangkulon?*

*The research method writer use is pre-experimental method types of one group pretest posttest design with research method observation, trials and test. The results of the research are:*

- 1) Writer is able to plan, implement, and evaluating learning demonstrating by looking at the contents of a drama script and the language by using the method of role playing in class XI SMAN 1 Jampangkulon. This is evidenced by the average value of the planning and implementation of lessons learned writer of 3.7 and included into the excellent category (A);*
- 2) Students in grade 4 Mathematics XI SMAN 1 Jampangkulon able to demonstrating a play by watching the content and language. This is evidenced from the average pretest score of 60.02 and the average value postes 88.15 or an increase of 9.38%;*
- 3) The method of role playing effectively used in the study demonstrating a play by watching the content and language. This is evidenced by the statistical test  $t_{hitung} \geq t_{tabel}$  is  $22.1 > 2.04$  in the 95% confidence level with a 5% significance level and degrees of freedom 29.*

*Based on the results of these studies, the authors concluded that learning methods of effective role playing is used in demonstrating a play by watching the content and language in class XI SMAN 1 Jampangkulon.*
