

ABSTRACT

The Influence Of PPKn Teacher In Developing The Legal Awareness Of Of The Students To Law No. 11 Year 2008 Of Freedom Of Information And Electronic Transactions In The Use Of The Internet (Case Study On Class X Students In Pasundan 3 Higs School Bandung). The need of access to information for urban or rural modern society nowadays is a must. One of many groups which most frequent accessing the internet is students. At present internet has become the necessity. In addition to that, the school has also supported the students with internet facility in each class room which enables students in accessing the internet. That is why students have to have the ability to understand the real function of the internet.

The research is using quantitative methodology of case studies which using statistical number, tables, grafics, and figures and also questionnaire as the instrument which can distinguish the data studied. Based on the result of the research revealed that: 1) The impact of internet in every day use by the students give more positive impacts. 2) Legal awareness of the students of Grade X of Pasundan 3 High school in Bandung of using internet is good in accordance to the legal awareness function. 3) The effort of Grade X Pasundan 3 High school PPKn's teacher in developing the legal awareness of the students in regards of the internet usage is that the teacher Can't always put eyes on the students on and on, especially in outside the school environment. That is why the teacher's effort can't be implement inside the school only. 4) The influence of PPKn teacher in developing the legal awareness of of the students to Law No. 11 Year 2008 of Freedom of Information and Electronic Transactions implemented in teaching and learning process.

Key word: The impact of internet usage, legal awareness, teachers' efforts
