STORIES COLLECTION AS AN EFFORT TO SELECT
TEACHING MATERIALS IN INDONESIAN LITERATURE
APPRECIATION IN SENIOR HIGHSCHOOL CLASS OF XI**

ABSTRACT

The purpose of this study was to analyze the elements of language style in the collection of short stories, Menghardik Gerimis by Sapardi Djoko Damono and to describe the learning planning using a structural approach for students in class XI Senior Highschool. This Research was conducted to provide solutions for educators about the selection of appropriate teaching materials in learning to analyze shor stories in senior highschool. This research is descriptive research. Descriptive research is research by collecting information about the status of an existing symptom, namely the situation according to what it was when the research was carried out. This research is used in analyzing the elements of language style in the collection of short stories Menghardik Gerimis. Sources of data in this study are a collection of short stories, Menghardik Gerimis by Sapardi Djoko Damono and several books supporting research. The results of the short story analysis show that the language style of comparison, contradiction and repetition that is most widely used in Sapardi Djoko Damono's collection of the Menghardik Gerimis short stories is the interlocking language style, namely as many as 55 language styles performed on 15 short stories from Sapardi Djoko's Menghardik Gerimis short story collection. Damono. The results of further research are used as an effort to select teaching materials and implement them into teaching materials for literary appreciation learning activities in high schools, especially short story learning in class XI. In this thesis, teaching materials have been made in the form of lesson plans and have been assessed based on the variables that have been determined according to the expert judgment. therefore, research on the elements of language style in a collection of short stories Menghardik Gerimis by Sapardi Djoko Damono in this study can be implemented as teaching materials for learning Indonesian literature appreciation in class XI Senior Highschool.
