## ABSTRACT

*Review text is a text that contains an overview of a work, whether drama or film, other books to find out the quality of the advantages and disadvantages of the work. This time the author focuses on the errors in the use of internal conjunctions and external conjunctions by students of class VIII D MTs Negeri 2 Bandung Barat. The following is the author's submission to the focus of the problem (1) How is the use of internal conjunctions and external conjunctions in the review text students of class VIII D MTs Negeri 2 Bandung Barat?; (2) How are the efforts in overcoming errors in writing about the review text of students at class VIII D MTs Negeri 2 Bandung Barat?; (3) What are the causes of errors in the use of Indonesian conjunctions in the review text of the grade students VIII D MTs Negeri 2 West Bandung. The method used in this research is descriptive qualitative. Data analysis techniques used are interviews, documentation, analysis.*

*The source of the data used in this study was a review text of the work of students class VIII D MTs Negeri 2 Bandung Barat. The amount of data used is 30 student works. Based on the results of the study, students who had errors in using internal conjunctions were 22 errors while the errors in using external conjunctions were 28 errors. So it can be concluded that efforts to overcome errors in making a writing, especially in the review text of student work, namely the lack of habituation of students to read to write a review text, it is mandatory to do so in order to master a work being reviewed. The cause of errors in the use of Indonesian conjunctions is that students do not understand the meaning of the conjunction itself.*
