

ABSTRACT

RENI ELISTIYANI (2021), EFFORTS TO STRENGTHEN PANCASILA IDEOLOGY THROUGH EXTRACURRICULAR SCOUTING ORGANIZATIONS AT STATE MIDDLE SCHOOL 1 MARGAASIH.

Scouting is an extracurricular organization held at all levels of education. Scouting is one of the extracurricular activities that is a place for character education, besides that Scouting also has a relationship with the Pancasila ideology. This study aims to determine the relationship between scouts and Pancasila values. This study uses a descriptive method with a qualitative approach with the research subject being Scoutmasters and students at SMA N 1 Margaasih. Data was collected by means of interviews and documentation. The results of the study show that (1) the scout extracurricular is a mandatory extracurricular, (2) the relationship between scouts and Pancasila values is contained in the dasadarma, (3) the obstacles faced are one of the students themselves, the supporting environment and the scout coach, (4) solutions to deal with obstacles include providing scouting materials such as the history of the Indonesian nation, the use of scouting methods and increasing the ability of scout coaches.

Keywords: Pancasila ideology, Organization, Scouts.
