LEMBAR PENGESAHAN ................................................................................................................... ii
LEMBAR PERNYATAAN .................................................................................................................... iii
ABSTRAK ................................................................................................................................................ iv
KATA PENGANTAR .............................................................................................................................. v
DAFTAR ISI ........................................................................................................................................... viii
DAFTAR TABEL ..................................................................................................................................... xiii
DAFTAR GAMBAR ............................................................................................................................... xv
DAFTAR LAMPIRAN ............................................................................................................................. xvi

BAB I PENDAHULUAN
1.1 Latar Belakang Penelitian .................................................................................................................... 1
1.2 Rumusan Masalah .................................................................................................................................. 6
1.3 Tujuan Penelitian .................................................................................................................................. 7
1.4 Kegunaan Penelitian ............................................................................................................................ 7
   1.4.1 Kegunaan Teoritis ....................................................................................................................... 7
   1.4.2 Kegunaan Praktis ....................................................................................................................... 8
1.5 Lokasi Penelitian .................................................................................................................................. 8

BAB II KAJIAN PUSTAKA, KERANGKA PEMIKIRAN,DAN HIPOTESIS
2.1 Kajian Pustaka ....................................................................................................................................... 9
   2.1.1 Pengertian Yayasan Menurut UU RI No.28 Tahun 2004 ......................................................... 9
   2.1.2 Sifat dan Karakteristik Yayasan ................................................................................................. 12
   2.1.3 Manajemen Yayasan ................................................................................................................. 14
   2.1.4 Pengertian Akuntansi ............................................................................................................... 15
   2.1.5 Pengertian Pernyataan Standar Akuntansi Keuangan (PSAK) .............................................. 16
   2.1.6 Karakteristik PSAK No.45 Revisi Tahun 2011 ....................................................................... 17
2.1.7 Laporan Keuangan menurut PSAK No.45 Revisi Tahun 2011.....20
2.1.8 Anggaran Operasional..............................................................28
2.1.9 Pengertian Kinerja Yayasan...................................................29
2.1.10 Faktor-Faktor yang Mempengaruhi Kinerja..............................30
2.1.11 Pengertian Pengukuran Kinerja.............................................31
2.1.12 Fungsi-Fungsi Pekerjaan/ Kegiatan yang Terkait Kinerja
Perusahaan......................................................................................32
2.1.13 Sistem Manajemen Kinerja....................................................33
2.1.14 Metode Pengukuran Kinerja..................................................34
2.1.15 Pengukuran Kinerja Menggunakan Balanced Scorecard...........36
2.1.16 Langkah-Langkah Balance Scorecard.....................................43
2.1.17 Kelebihan Balanced Scorecard.............................................44
2.1.18 Penelitian Terdahulu.............................................................45
2.2 Kerangka Pemikiran....................................................................45
2.3 Hipotesis......................................................................................48

BAB III METODE PENELITIAN
3.1 Metode Penelitian yang digunakan.........................................49
  3.1.1 Objek Penelitian.................................................................49
  3.1.2 Model Penelitian.................................................................50
  3.1.3 Instrumen Penelitian...........................................................50
3.2 Definisi dan Operasionalisasi Variabel Penelitian......................51
  3.2.1 Definisi Variabel Penelitian................................................51
  3.2.2 Operasionalisasi Variabel Penelitian.................................52
3.3 Populasi dan Sampel...............................................................57
  3.3.1 Populasi..............................................................................57
  3.3.2 Sampel dan Ukuran Sampel...............................................57
BAB IV HASIL DAN PEMBAHASAN

4.1 Hasil Penelitian

4.1.1 Gambaran Umum Perusahaan

4.1.2 Sejarah Singkat SMA Pasundan di Wilayah Kota Bandung

4.1.3 Visi dan Misi SMA Pasundan di Wilayah Kota Bandung

4.1.4 Wilayah Kerja SMA Pasundan di Kota Bandung

4.1.5 Struktur Organisasi dan Deskripsi Jabatan SMA Pasundan di Wilayah Kota Bandung
4.1.6 Deskripsi Jabatan ..................................................................................83
4.1.7 Karakteristik Responden .......................................................................90
4.1.8 Penerapan PSAK No.45 di SMA Pasundan ........................................93
4.1.9 Kinerja Yayasan di SMA Pasundan .....................................................122
4.2 Pembahasan ..............................................................................................136
  4.2.1 Analisis Deskriptif .............................................................................136
    4.2.1.1 Analisis Deskriptif Penerapan PSAK No.45 .........................136
    4.2.1.2 Analisis Deskriptif Kinerja Yayasan ........................................143
  4.2.2 Analisis Data dan Uji Hipotesis ..........................................................147
    4.2.2.1 Uji Validitas Data ......................................................................147
      4.2.2.1.1 Uji Validitas Penerapan PSAK No.45 (X) .......................148
      4.2.2.1.2 Uji Validitas Kinerja Yayasan (Y) .....................................151
    4.2.2.2 Uji Reliabilitas Data ..................................................................152
      4.2.2.2.1 Uji Reliabilitas Penerapan PSAK No.45 (X) ........................153
      4.2.2.2.2 Uji Reliabilitas Kinerja Yayasan (Y) ....................................153
    4.2.2.3 Uji Normalitas ............................................................................154
    4.2.2.4 Pengujian Hipotesis ....................................................................156
      4.2.2.4.1 Regresi Linear Sederhana .....................................................157
      4.2.2.4.2 Koefisien Korelasi ..............................................................158
      4.2.2.4.3 Koefisien Determinasi ($R^2$) .............................................159
BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan....................................................................................................160
5.2 Saran...............................................................................................................162
