

ABSTRACT

The title of this research work is "**Analysis of Social Conflict in Kamila Andini Yuni.**" In this research, the writer try to analyze what social conflicts that exist in Yuni and the effect of these social conflicts on the character's daily lives. Data analysis methods in this research used a qualitative descriptive method through the Theory of Literary Sociology with the approach of Ian Watt and the analysis of plots in movies, according to Freytag (1863). The collection techniques used are observation and documentation. The result is that in Yuni movie, there are seven social conflicts occur in the form of (1) Early marriage, (2) Kleptomania, (3) Child Grooming, (4) Domestic violence, (5) Lack of sex education, (6) myths (7) and stereotypes. However, this research is only limited to the study of social conflicts with the sociological method of the Ian Watt approach, one of which states that literary sociology is a reflection of society.

Keywords: *Literary Sociology, Social Conflict, Movie, Yuni*
