Uus Toharudin, Dr. Iwan Setia Kurniawan, M.Pd.:

We have reached a decision regarding your submission to International Journal of Interactive Mobile Technologies (IJIM), "Improving Student Learning Outcomes Using Powtoon Media Apps."

Our decision is to: Accept Submission

Congratulations on your interesting work presented in the paper!
The reviewers haven't had major recommendations for the submission's narrative.

We kindly ask you to include if possible up to three references to papers from our other journals from <http://www.online-journals.org> (IJET, IJIM, IJEP, IJOE, IJAC), not primarily to the same journal you submitted the paper. In this way you can help to increase our journals' position in listings.

You will receive an invoice for the APC by separate email.

Please do a final language check. We always encourage authors to ask for support from an English language native speaker. If you want to edit minor aspects of your paper, you are free to do so but please don't change the overall narrative.

Before uploading the final version of the accepted paper, please check whether it's really final:

Please read this email carefully – all of the below is important.

Dear Uus Toharudin,

your paper is now scheduled in **IJIM** Vol. 17 No. 24 (2023), to be published on +/- 27.12.2023.
IJIM is indexed in Elsevier Scopus, EBSCO, and dblp.

On or before 13.12.2023, you will receive

- first an MS Word file with language corrections, you will then have 2 days to reply
- and later a page proof in PDF format for approval, you have also 2 days to reply.

Important: without reply from your side, the file sent to you will be considered approved and be moved to the next step.

Please note:

- do not upload more final versions to the journal – they won't be used
- the proof will be sent to the email address found in the manuscript
- check SPAM regularly
- whitelist the sender address revathy@online-journals.org
- NO MODIFICATIONS WILL BE POSSIBLE ANYMORE, ONCE YOUR PAPER IS PUBLISHED
- Changes to the content are no longer possible, this would require a new review
