***ABSTRACT***

*This research aims to analyze social conflict and cultural values in the novel Immanuel Jami by Windy Joana using a literary sociology approach and then utilize the results of this research as an alternative teaching material for literary appreciation for students in class XI SMA/SMK. This research uses a descriptive method. The data sources used in this research are the novel Immanuel Jami by Windy Joana, and reference books which contain theories regarding this research. The data findings obtained by the author in this research were 37 data with 21 data regarding social conflict and 16 data regarding cultural values. The data found on social conflict contained 1 data regarding gender conflict, 8 data regarding religious conflict, 12 data regarding personal conflict, and the total number of data for social conflict was 21 data. The data found on cultural values contained 6 data regarding the cultural value of human relationships with God, 7 data on the value of human relationships with humans, 3 data on the value of human relationships with themselves, and the total number of data on cultural values was 16 data. Furthermore, the research results were adapted to the 2013 curriculum based on the Core Competencies and Basic Competencies listed in Minister of Education and Culture Regulation No. 37 of 2013. Apart from that, teaching materials are provided to support learning for class XI high school students.*
