

Preface

Bismillahirrohmaanirrohiim, Alhamdulillah Robbil 'aalamiin, the writer felt grateful because of Allah SWT blessings so the writer could finish this research paper entitled “An Analysis of Language Meaning of Situ Cileunca Tourist Object on Social Media”. This research is made to fulfill requirements for taking Sarjana Degree of the English Department, Faculty of Arts and Letters, Pasundan University.

This research paper describes and analyzes the language meaning of Situ Cileunca Tourist Object via social media. This research paper explains what types of language meaning that the caption used to attract tourist via social media with attractive words.

While doing this research, the writer found many difficulties and realized that this research paper was imperfect, because the writer still has limited knowledge and experiences, therefore the writer hope that this research paper can give more information and knowledge for the readers and beneficial for students especially for the tourism study and for who have interest working intourism industries.
