ABSTRACT

Anecdotal text is a text that contains a story and has an element of humor as well as criticism that comes from the stories of famous real shops. In this section, the author conducts research into the analysis of the use of exclamation points to the anecdote of Maruli Pardamean worker-style dead lough book as an alternative teaching material for class X. here the author proposes several problems (1). How to use exclamation points from anecdotal texts contained in the book dead laughter by Maruli Pardamean's worker?; (2). How are the results of the analysis of exclamations of anecdotal texts used in the work of Maruli Pardamean's dead laughter book? The method used in this research is descriptive qualitative. The source of the data used in this research is not a dead lough anecdote in the style of a worker by Maruli Pardamean.

Keywords: anecdotal text. Anecdotal exclamation point. anecdote by Maruli Pardamean.
