***ABSTRACT***

This study aims to find the cultural mentality contained in the characters and characterizations in the novel Merindu Baginda Nabi by Habiburrahman El Shirazy by analyzing them and utilizing the results of the analysis as an alternative teaching material in class XII SMA. This research is a descriptive research with a literary sociology approach. Descriptive research is research that describes the results of its analysis in a narrative manner. The data source in this analysis is the novel Merindu Baginda Nabi by Habiburrahman El Shirazy and several research support books. The results of the analysis show that there are 21 data of Ideational Cultural Mentality, 8 data of Sensory Cultural Mentality, and 6 data of Mixed Cultural Mentality contained in the characters and characterizations of the novel. The results of this analysis are then adjusted to the demands of the curriculum, namely the Core Competencies and Basic Competencies, and a teaching material product is made to support the learning of Class XII SMA Students. In this thesis, teaching materials have been made in the form of RPP and Modules that have been assessed by validators.
