

Preface

Praise and thank God Almighty for His grace on allowing the writer to survive the hardship and pass through the challenges while working on the thesis which entitled "Antihero Characteristic and Maladaptive Coping Mechanism on the Main Character of Heller's Novel Catch-22".

This thesis is submitted to fulfill the requirements for obtaining bachelor degree of English Department, Faculty of Arts and Letters, Pasundan University. It is undeniable that the writer took a lot of effort to complete this thesis. However, this work would not have been completed without good and lovely people around the writer who were willing to support and help this thesis. .

Lastly, the writer realized that this thesis still lies in imperfection, due to the limited knowledge and resources that the writer has. Therefore, the writer humbly expects suggestions and constructive criticism from all parties in order to develop this thesis.
