

Curriculum Vitae

Hafizh Umar Assad, also known as Hafizh, the researcher of this research, was born in Bandung on June 18, 2002. He is the youngest child, with one older brother. Hafizh started his education at SDN Sejahtera (2009-2014), then attended SMPN 32 Bandung (2014-2017) and SMA Pasundan 2 Bandung (2017-2020). In 2020, he joined the English Department of Pasundan University. Throughout his schooling, from elementary to high school, English was always one of his favourite subjects, leading him to pursue a degree in English Literature. Hafizh

enjoys reading literature, playing video games, listening to music, and exercising. He can be contacted via email at hafizhu290@gmail.com or on Instagram @[fheezzz](https://www.instagram.com/fheezzz).
